Division of Research Grants  
National Institutes of Health  
Bethesda 14, Maryland

Subject: Grant No. HD-00045-01 (New application)  
Kindred Patterns (Mentally Retarded; Control)  
January 1, 1964 - December 31, 1964

Gentlemen:

The attached appendices are to be associated with the above grant application, which was submitted to the National Institutes of Health in June. These appendices comprise the Supporting Technical Data section of the application and consist of the following:

- A. Some notes on Demographic Studies Related to Pediatric and Genetic Problems - J. Lederberg.
- B. Letter dated April 22, 1963 from Howard G. Brunzman, Chief, Population Division, Bureau of the Census, to J. Lederberg.
- \* C. Graphs from LINC computer (to follow).

Sincerely yours,

Joshua Lederberg  
Professor of Genetics
